JOB EXPERIENCE

Multimedia Designer — 2024-PRESENT
Biocostech Philippines Corporation

I'm a Multimedia Designer at Biocostech Philippines Corporation, a Korean company behind brands like iWhite Korea and Sensedol Korea. I specialize in 2D animation and motion graphics using After Effects, video editing with Premiere Pro, and photography/videography for events. I also design for both digital and print media using Photoshop and Illustrator, create 3D animations in Adobe Dimension, and design 3D fixtures with SketchUp.

Social Media Manager, Graphic and Video Editor (Intern) — March 2024 - May 2024
BLVCK Entertainment/BLVCK Creatives

As a Content Creator for BLVCK Entertainment, I manage social media, create graphic art, and edit videos for Ppop groups 6ense, BLVCK Flowers, and BLVCK Purple. My work includes designing Visual Juices, publication materials, and a variety of other creative content to enhance and promote the group's presence and engagement.

Video Editor/Graphic Artist — 2021-2023
Local Government Unit - San Isidro, Isabela

s a Video Editor and Graphic Artist for LGU San Isidro, I create publication materials such as campaign tarpaulins, audio-visual presentations for accomplishment reports, and develop logo branding for BRAVO San Isidro. My role ensures visually compelling and effective communication of the LGU's initiatives and achievements.

EDUCATION

Bachelor of Science in Computer Science — 2020 - 2024
Isabela State University - Echague Main Campus

Science Technology Engineering and Mathematics (STEM) — 2018 - 2020
San Isidro National High School

Junior High School — 2014 - 2018
San Isidro National High School
